Dear Tor,

I hope this message finds you well. It's been a while since we last connected during the upstoring of our new buildings. Since then, we've sold all of our vessels, so unfortunately, I cannot provide you with any current feedback. However, while the vessels were still in our possession until 2022, we were extremely satisfied with the product from Masto. We used it extensively on our ships without encountering any issues.

Should we embark on any newbuilding projects in the future, we will definitely consider procuring the same item. In the meantime, I'd like to take this opportunity to wish you and your family a Happy 17th of May and an enjoyable long weekend.

Best regards,

Sujoy
